Belfast City Airport:

From the Airport, take the Underpass towards Belfast City Centre. You are now on the Sydenham Bypass. (The Sydenham Bypass (A2) is also the main route into Belfast and North Down).

Exit the Sydenham Bypass at the Dee Street junction (from the right lane) and at the mini roundabout (approximately 25 meters from the junction) turn left. You are now on the Sydenham Road. Continue down the Sydenham Road until you reach the cross roads with traffic lights (as marked on the map) and turn right at the lights. You are now on Queen's Road.

Continue past the Odyssey Arena Coach Park on the left and the Innovation Centre is exactly 1 mile from the Coach Park and on the left just before the QUB ECIT building.

By Taxi from the Belfast City airport: 10minutes in a taxi and costs approximately - £7

From the South:

Continue from the M1 onto the Westlink. Follow the signs to the M3 (City Centre/Belfast City Airport/A2). From the M3 take the Queen's Island turn off. At the cross roads with traffic lights (as marked on the map) go straight ahead. You are now on the Queen's Road. Continue past the Odyssey Arena's Coach Park (see map) and the Innovation Centre is exactly 1 mile from the Coach Park and on the left just before the QUB ECIT building.

From the North/West:

Continue down the M2 towards Belfast and get into the lane marked 'M3 (Belfast (E) Belfast City Airport)'. This will now take you over the Lagan Bridge. Once on the Lagan Bridge (M3) take the Queen's Island turn off. At the cross roads with traffic lights (as marked on the map) go straight ahead. You are now on the Queen's Road. Continue past the Odyssey Arena's Coach Park (see map) and the Innovation Centre is exactly 1 mile from the Coach Park and on the left just before the QUB ECIT building.

Translink Metro Service

You can take Translink Metro Service, getting off at Queen's Road, from Donegal Square West (Belfast City Hall). The name of the service is Hollywood Exchange and service numbers are 26/26B.
